

## **PRAYING EFFECTIVELY FOR THE LOST TEXTBOOK**

My name is Andy Thomas with *Praying Effectively for the Lost Ministries*. My father is the author of the "little yellow book". I see that you have a link to our ministry, thank you for helping us get the word out to others. I wanted to let you know that we teach a seminar based on the principles of the book. We come to churches/groups on a love offering basis only. There is no set fee required to have us come share the information. I wanted to make you aware of this in case you wanted to let those who visit your site know about the teaching. Also we have a video of the short version available on our home page. We now have over 1.2 million copies printed and translated into 28 languages. PRAISE GOD!!!

I look forward to hearing from you.
